Sold a Single Family home in 2011 for approximately \$225K in Elk Grove, CA.

Local knowledge:

Process expertise:

Responsiveness:

Negotiation skills:

When faced with the possibility of selling my home on a short sale, I did my homework and came up with the person I felt was an expert in the field. I found her in Elizabeth Weintraub! Being a professional salesperson myself, I found it refreshing to be able to deal with someone of such high caliber. During the short sale process, we had two buyers that had fallen off for various reasons, but being a very determined individual, Elizabeth and her team were able to secure another solid buyer in less than 48 hours and was able to continue the process to completion. I had already referred Elizabeth and her superior team to a relative and would not hesitate to refer them again. Their attention to detail and knowledge made all the difference in the world in completing the sale of my home in the most expeditious and painless manner possible.

Response from Elizabeth on 07/13/2011

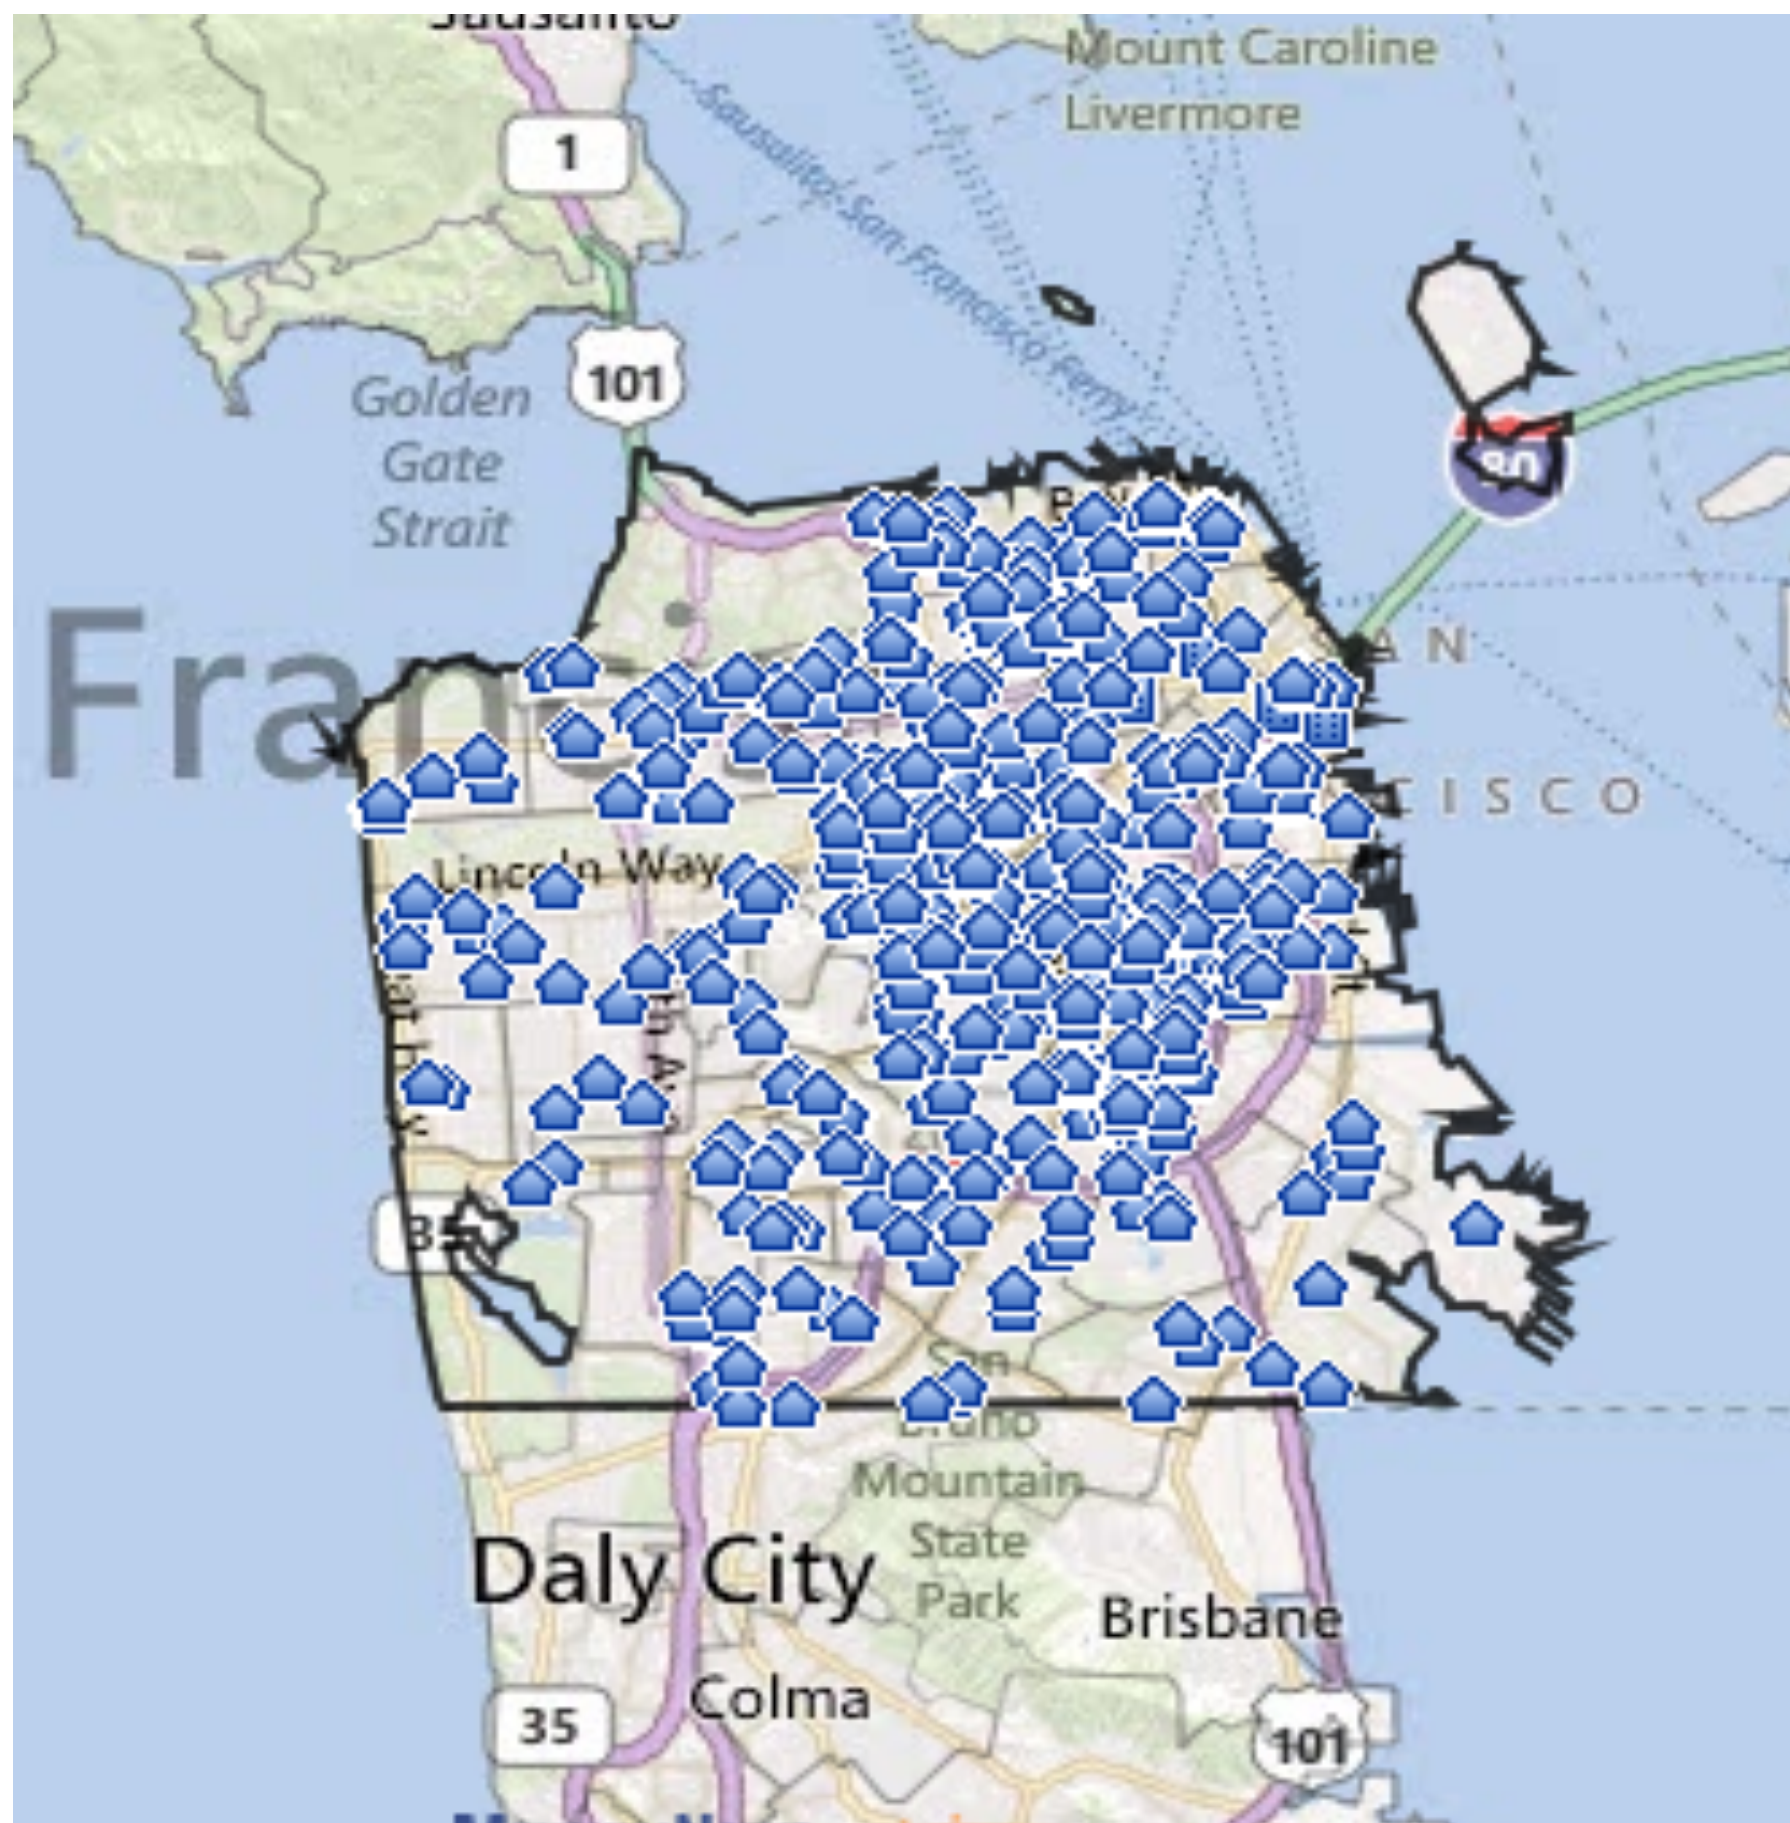

Through no fault of the seller on this short sale, the first buyer developed cold feet. The second buyers lost the buyers for their home. But the third buyer was indeed the lucky person. I appreciate your referrals, George, and I thank you for posting such a sweet review.
