

The Agent-Owned Cloud Brokerage®

At eXp Realty, our family of agents and brokers build their own businesses. They work, attend classes, strategize, collaborate, innovate, enjoy water-cooler chats, build teams, build unity and share experiences inside of our Cloud Office Environment.

Together, we're leveraging Systems and Tools in order to grow an agent and broker-owned international, publicly-traded company.

eXp Realty agents and brokers are working together to build businesses, build and enhance brands, increase profitability, reduce overhead and risk, and achieve bold career and life goals, all while establishing a direct ownership interest in eXp Realty International Corporation as a shareholder and partner.

It's Your Career. Own It!

Does Your Brokerage Offer...

-  **80-100% or MORE Commissions?**
Keep more of your money. Our forward-thinking model eliminates the costs associated with a traditional brokerage. No royalty fees. No franchise fees. No desk fees.
-  **Multiple Revenue Streams?**
Take part in the Industry's most aggressive revenue sharing model. Earn thousands per month by attracting like-minded agents. Build your business and plan for your retirement.
-  **Opportunities for Ownership?**
Our vision is for a company that is owned by its agents and brokers. Uniquely within the industry, we provide a number of opportunities for our agents and brokers to become sizable shareholders and partners in our collective success.

What's Important to You?

Keep More Money

In any economy we all want to keep more of our hard earned money. Have you done the real math on how much of your commission check you take home? Check out our Brokerage Comparison Calculator.

Work from Anywhere

Closing a transaction from Hawaii? Participating in a business planning session from Rome? Negotiating a contract from a Costa Rica beach? Our agents have done all of these! It's part of our agent-centric model.

Professional Development

Save yourself the \$1000 per month you spend weekly on the 30 minute accountability phone calls. Our agents get over 15 hours of professional development and business coaching every week, all included, plus around the clock access to sessions.

Your Brand

Build a loyal and long lasting team with eXp. Strengthen agent retention with residual income and be less concerned about creating future competitors.

What's Important to You?

Help Your Agents; Help Yourself

Tired of all the long hours and hard work of managing your own brokerage? Real-time, interactive support provides the technologies and tools your agents need to succeed in the new era of real estate.

Eliminate Liability

Liability concerns and file responsibility can create stress and long hours at the office. With Transaction Review and interactive Administrative Help available 12 hours a day, you can sit back and focus on those parts of the business you enjoy most.

Exit Strategy

No end in sight? Worried you'll be working the rest of your life? There are solutions, from equity in a public company to sharing in the success of your team. It's all waiting for you.

What's Important to You?

Anytime, Anywhere Work Environment

Mobility is the coveted word of the 21st century. The coveted phrase is quality of life. You can have both. Spend less time on the road and more time with your family and doing the things you enjoy.

Vibrant Company Culture

Real estate can be a lonely business, where your car becomes your best friend. Now you can develop friendships and collaborate with top agents from around the world while building a broader market base.

Ground Floor Opportunity

How many times have you said "if only I had..."? Ground floor opportunities where focus and collaboration are the stepping stones to success are rare. Our agents say "I'm so glad I did!"
